

Dreaming of the Kingdom

Mark Graham

I'm dreaming of the Kingdom,
God's great Kingdom,
All the things in store for you and me;
Dreaming of the Kingdom,
God's great Kingdom,
Here is how I picture it will be.

I can wrestle with a wolf,
I can ride bears around,
I can paddle with a porpoise
till the sun goes down.
I can dance with the deer,
I can swim with the swans,
When I'm sleepy there's a lion
I can lean upon.

Dreaming of the Kingdom,
God's great Kingdom,
All the things in store for you and me;
Dreaming of the Kingdom,
God's great Kingdom,
Here is how I picture it will be.

I can meet famous men out of history,
I can hear Noah tell of life out on the sea.
I can help Peter fish, I can hear David sing,
I can learn from Jesus Christ
just how to be a king.

And the greatest of all
the things there will be
Is that people will fin'ly
live in harmony;
No more sickness or war,
only good things in store,
And that's the way
that life will be forevermore.

Dreaming of the Kingdom,
God's great Kingdom,
All the things in store
for me and and my friends;
Dreaming of the Kingdom,
God's great Kingdom,
Happiness that never ends,
happiness that never, ever ends.

Chorus
